The LKG - B Class Assembly was held on January 28th, 2023. The theme for the assembly was Flowers and Topic was Sunflower.

Compering of the program was done by Shreeancy Parhi.

The programme began with the School Prayer song sung by our Class Choir, followed by the National Pledge delivered by Prabhas Chaturvedi.

Welcome note was delivered by Krotha Ishaan Mahadev.

To begin the programme, 9 children sang a **song on Sunflower** well supported with suitable actions.

10 tiny tots gave a **"Speech"** about the sunflower, providing some interesting facts for the audience to take away.

The next programme was **"Ramp Walk"**, which featured enchanting music. Twelve adorable boys and girls walked the ramp and enjoyed themselves.

Our most anticipated programme was **"Group Dance"**. Entire group of students danced to the upbeat music, which was a visual treat for our eyes.

Siddhiksha Pradhan proposed the **Vote of Thanks** which was followed by the National Anthem, Shanti Paat, and School motto.

**Let us Seek the blessings of Almighty
By praying together**

Lighting up the stage with our melody

**“Involve me, I learn”, Let’s learn through
the presented facts about Sunflower**

We love being photographed. We love the ramp!

To watch us dance is to hear our heart speak!
