Topic: “How to Identify Interpersonal Intelligence Among Students”

Prominent Person – Kailash Satyarthi

The Class Assembly began with the Invocation which includes Gayathri Mantra followed by DAV Gaan. The Class Assembly was structured into several segments. The comperes Aaradhyaa and Yashwanth Ranga introduced and coordinated the whole programme.

The first programme of the Assembly was a speech by Nikitha.W who spoke about “Interpersonal skills - An overview”. The second programme was delivered by Divyasri emphasising the importance of inter personal skills in different walks of life. A team of seven students paraded onto the stage to show the different fields in which inter personal intelligence played a key role.

Next we had Srinithi exploring the different ways by which students can develop their inter personal intelligence. The cricket team of VI E showcased a scene at the cricket field where all the team members shared excellent interpersonal skills to score well and emerge victorious.

The fourth programme was a talk show titled “Coffee with a Celebrity”. Mahathi. R.N. the host of the programme was very enthusiastic and jubilant when she interviewed Kailash Satyarthi- The Nobel Laureate. Karthik played the role of Kailash Satyarthi. The award winning social worker spoke about his early days and his calling was rescuing children who were trapped in child labour. He also spoke about the “BACHPAN BACHAO ANDOLAN” which he created to rescue young children who were victims of child labour. He also explained about the Mukti Ashram and Bal Ashram which he created to give a helping hand to the rescued children.

A Mime on Child labour was enacted by the students. The mime was both informative and entertaining and the students effectively demonstrated the problem of child labour. The students’ performance was well-received by the audience and the Principal Ma’am appreciated their effort to bring out the theme effectively.

Last performance was a ‘Melodious Jingles’ in which a group of Singers sang a melodious song titled “Freedom of children”.

Next we had ‘Epilogue of Gratitude’ which was delivered by Jennie Jasmine.

Overall, the assembly was an enlightening experience that not only entertained the students but also educated them about the importance of developing Interpersonal intelligence among students.
