Respected Prime Minister,

Thank you for giving us this opportunity to explore the history of our Freedom Fighters.

There were several people who stood against the British rule, but there were so many other freedom fighters whose tales of heroism have somehow gotten erased from the pages of history.

I would like to dedicate this postcard to 'Azad Hind Fauj', who were the first Indian Based Army to win a battle against the British Forces. It was an army of youth and women power who made the British government realize the great patriotism of Indians.

Thank you

To,
The Hon'ble Prime Minister.

I am a student of class X. Shubham Kumar.
