

ENERGY IS KEY TO CREATIVITY ENERGY IS KEY TO LIFE

NATIONAL PAINTING COMPETITION ON ENERGY CONSERVATION (2021)

National painting competition on energy conservation 2021 was organised by ministry of power, government of India on the theme of “AZADI KA AMRIT MAHOTSAV-ENERGY EFFICIENT INDIA” OR “AZADI KA AMRIT MAHOTSAV: CLEANER PLANET.

It was conducted in our school on 8th December 2021 for the students of class-8th and 9th. Where 20 students participated on offline mode with all the measures of safety against Covid-19. Students beautifully expressed themselves using vivid colours and exceptional techniques. The drawings were a testament into the deep understanding that the students had regarding the topic. Through their creative expression they were able to create awareness and give possible solutions.

The gifts and participation certificates were distributed to them by our respected Principal ma'am.
