Sept– Novt 2022

MESSAGE FROM THE PRINCIPAL

“Wise sayings often fall on barren ground, but a kind word is never thrown away..”

Dear readers,

Life is a seamless fabric of change which is stitched with the needles of experience and learning. As society, we witnessed so many changes during and post COVID in all walks of life.

It's been a while since students were engaged in reading, and we need to pay attention to the reading and writing skills. I invite all the students to hone their skills in every sphere and get acknowledged on this literary platform. Let us all come together to enjoy and celebrate the power of written word.

“Orchid”, the school E-newsletter is not just the harbinger of news but it also embarks upon its journey of recording events, ideas and achievements of the students of DAV SJVN Duttanagar ,I look forward to being a witness to the creative pursuits of our young minds who shall be ignited and nurtured

Happy reading to all

Best wishes

CHARITY DRIVE

Our School organized a charity drive for the underprivileged children of nearby locality. The school has decided to help out children in orphanage near Filling station Duttnagar. It is a way of giving back to the area for helping our country and children. The students of Class VII and VIII of our school have donated eatables and essentials to them.

INVESTITURE CEREMONY

The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. The ceremony was held in our school donning the mantle of accountability, students also pledge to bestow their duties to the best of their abilities. We believe that the child centric approach will frame a responsible citizen. The ceremony was held with great zeal and zest.

Page-23

Issue 3

Sept-Nov 2022

December 22 marks the birth anniversary of Indian mathematician Srinivasa Ramanujan and is celebrated as National Mathematics Day. On this occasion, our school has conducted inter class quiz competition.

वीर गाथा

ऐसे वीर सपूत तो विरले ही पैदा होते हैं। जो अपनी जान गंवाकर इस देश की रक्षा करते हैं। कैप्टन विक्रम बत्रा भी एक ऐसे ही वीर सपूत थे जिन्होंने अपनी जान की परवाह न करते हुए अपने कई सैनिकों की जान बचाते हुए इस देश के लिए शहीद हो गये। कैप्टन विक्रम बत्रा मेरे लिए एक आदर्श हैं। उनके पूरे जीवन से तथा जीवन के हर क्षण से हमें कुछ न कुछ अवश्य सीखने को मिलता है। उनका सम्पूर्ण जीवन अनुकरणीय है। वे सदैव जोश से भरे रहते थे तथा अपने साथियों को भी सदैव उत्साहित करते थे। कैप्टन विक्रम बत्रा का जन्म 9 सितम्बर को हुआ था। वे अपनी प्रारम्भिक पढ़ाई घर पर ही करते थे। वे बचपन से ही बहुत होशियार थे। उन्होंने पढ़ाई के साथ साथ ही NCC में मेडल जीता। वे बहुत ही प्रतिभावान थे। वह हमें सिखाते हैं कि व्यक्ति को प्रत्येक क्षेत्र में अपनी तरफ से हमेशा सही प्रदर्शन करना चाहिए। विक्रम बत्रा की 13 J & K राइफल में 6 दिसम्बर 1997 को नियुक्ति हुई। वे दो साल तक कैप्टन बने। उसी समय कारगिल का वॉर शुरू हुआ। उन्होंने अपनी जान गंवा दी। जब तक ज़िंदा रहें अपने साथियों को बचाते रहे तथा दुश्मनों को धूल चटाते रहे। इनकी वीरता की गाथा आज भी भारतीय सेना के जवानों में मशहूर है।

“ था वीर बहुत वो जोशिला, दुश्मन से ना वो डरा था। दुश्मन के खेमे घुस कर, वो सबको धूल चटाता था।”

॥ जय हिंद जय भारत ॥

विक्रम बत्रा का जीवन हमें सिखाता है कि सबसे पहले देश की रक्षा के लिए हमें हमेशा तत्पर रहना चाहिए।

-अनुषा गौतम 7 ब

NEEDY PEOPLE

India is a diverse country. People live together but in some unknown corner of our country, there are some people who are struggling over some simple and basic amenities like a meal for a day, clean drinking water, shelter, clothes etc.

Some people discriminate and make fun of others. Of-course the poor and needy people don't have a power to take action over their continuous discrimination. They are the ones who suffer the most. But our constitution has given us some fundamental rights which no one can violate. These rights lead to the development of nation. Our country has some great and aware people who consider everyone as equal. Isn't it good to have another family which is huge enough and is the same as our own. let us take a step towards the development of our nation.

Nature

Built so perfect ,hard to define
I wonder can there be something so fine.
O mother nature along with your beauty ,
You excel in your duty.

The vast expanse of the serene seas,
Love the touch of your hair like breeze
Your lap provides that peace ,
Which gives my tired heart some ease.

The brightest stars seems your eyes,
Your robes are eternal skies.
The blossom of spring brighten up your skin,
No one other with you can ever twin.

You give my isolated soul the solitude,
In your woods I feel gratitude .
O nature! Whenever I try to find you,
I get lost, getting deeper in refined truth.

By Mannat Mehta
Class 10 A

Mother The God

Mom, you are the best
From hand to toes,
Warm & so soft
Smiling sweet like a rose
You make me joyful
And also you are very beautiful
Whenever I am in fear
You are the one who wipes away my tear
You are my angel from above ,
Spread they wings and
Fly like a beautiful dove
Your love, your care, your faith give me strength
To face the world without fear
Mom you are the best in the world
And I love you more than this world...

By:- Vaibhavi Chauhan
Class:- 9th 'B'

IF NATURE COULD SPEAK

I came back home after a hectic day,
Just to know there is no bed to lay,
Soil under me is erose,
And no men whom I could propose.

This cruel human knows I am needy,
But then also he will behave greedy,
Please give my plants water twice,
Rather they will turn weak and die.

Don't you think I am a treasure,
Conserve me and your life will be full of pleasure,
You had only given me broken promise,
I think now its my turn to destroy you without any warning.

Nancy

POLLUTION

Pollution is a very big threat,
Because of it we can't take breath.

To capture pollution,
We have solution.

Don't burn tin,
Throw it in dustbin.

Don't throw plastic in ocean,
Destruction would be in half of earth's portion.

Grow more and more trees,
It will make global warming freeze.

Don't use chemical in soil,
It will make our earth boil.

Pollution is a very big threat,
Because of it we can't take breath.

Soham Shyam
